DANYDEEE

INTERNATIONAL LUXURY VOCALIST

Soul · Jazz · Elegant Pop

“She doesn’t copy songs – she translates them. A voice that holds a room in stillness, then sets it on fire.”

BIOGRAPHY

Danydeee (Dany Dobner) is a Munich-born, Berlin-shaped, Europe-based vocalist and composer whose sound bridges soul, jazz, pop and neo-soul. Known for her dual artistry – elegant ceremony poise and electrifying stage presence – she moves seamlessly from intimacy to power.

Her repertoire ranges from Adele and Etta James to Tina Turner, Billie Holiday and Jill Scott – always reinterpreted, never imitated – alongside original songs. With performances across Europe, Japan, Southeast Asia and Africa, she combines European refinement with global rhythm.
